How to Use This Book

- 1 Study 12 words a day.** Read the word, the meaning, and the example sentence out loud. Tap the word to hear it in the app version.
- 2 Check the extras.** = means a synonym (similar word), ↔ means an antonym (opposite). Learn them together — they double your vocabulary.
- 3 Write MY SENTENCE.** Make your own sentence for each word. This is how a word becomes YOURS. Say it to your teacher in class.
- 4 Take the Daily Test.** Sections A–D check your memory. Section E is real writing — use three or more of today's words.
- 5 Review three times.** Check a review box each time you come back. Three checks = mastered.
